A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word.

If so, my analysis amounts to a rule in search of actual usage--a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over ...

PCMs work to passively cool stations by storing and releasing energy based on environmental conditions. They absorb heat as they melt and release it as they solidify - ...

A subway train brakes as it approaches Grand Central Station, converting kinetic energy into electricity that could power your neighborhood coffee grinder for 27 years. Okay, ...

1 " Free " absolutely means "free from any sorts constraints or controls. The context determines its different denotations, if any, as in "free press", "fee speech", "free stuff" etc.

While hydrogen fuel cells are currently about as common as unicorns in subway systems, Germany"s Nuremberg U-Bahn is testing hydrogen-battery hybrids that could ...

Saying free or available rather than busy may be considered a more "positive" enquiry. It may also simply mean that you expect the person to be busy rather than free, rather than the other way ...

Bulk energy storage incentives are applicable to ESS projects between 5 and 20 MW in capacity and are available through the New York State Energy Research and Development Authority ...

By understanding and addressing these challenges, cities can better facilitate the growth of subway energy storage initiatives, maximizing their potential benefits for urban ...
