-----  
Where can I find the final environmental assessment & finding of no significant impact?

The FAA is announcing the availability of the Final Environmental Assessment and Finding of No Significant Impact for the SpaceX Launch Licenses at Kennedy Space Center (KSC) and Cape Canaveral Air Force Station (CCAFS), Florida (Final EA and FONSI). The electronic version of the Final EA and FONSI is available on this website for download.

What is a NEPA environmental impact statement (EIS)?

NEPA requires federal agencies to determine if their proposed actions will have significant environmental effects. EPA reviews and comments on these Environmental Impact Statements (EIS) and provides public notification and access to these documents.

Who is responsible for preparing an Environmental Impact Statement (EIS)?

The U.S. Environmental Protection Agency (EPA) is responsible for receiving and reviewing environmental impact statements (EISs) prepared by the Federal agencies. EPA's NEPA website provides resources on the NEPA process, EPA's role, EIS filing guidance, geographic contacts and information, and environmental justice.

Does NEPA require environmental impact analyses?

NEPA requires federal agencies to conduct environmental impact analyses (Environmental Assessments or Environmental Impact Statements) prior to making decisions.
