Who is containers Africa?

Welcome to CONTAINERS AFRICA Containers Africa specializes in the sale, leasing, and re-positioning of new and used shipping containers in most major ports of Africa. We specialize in selling; 20ft, 40ft, 40ft High Cube, reefer containers, open tops, conversions, designs & fabrications. More info.

How big is the container market in South Africa?

According to a 2024 industry report by IBISWorld, the South African container market is growing at 4.2% annually, driven by demand for modular solutions in construction and retail. From mining sites in Limpopo to urban projects in Johannesburg, we deliver nationwide with crane trucks for efficient setup.

What is a collapsible container?

Collapsible containers are a type of storage unit that can be folded down when not in use. This feature allows for space-saving and efficient transportation. They are often made of durable materials like plastic or metal and come in various sizes. Why should I use collapsible containers? Collapsible containers are versatile and offer many benefits.

Are collapsible containers durable?

Yes, most collapsible containers are designed to be strong and durable to withstand the weight of the items stored inside. They are usually made from robust materials such as heavy-duty plastic or metal. However, the exact durability will depend on the specific product and manufacturer.
