What are EU public procurement rules?

They award public contracts through calls for tender. As part of the single market, EU law sets out minimum public procurement rules to safeguard the core principles of transparency, equal treatment, open competition, and sound procedural management.

How do EU institutions use public procurement contracts?

The EU institutions use public procurement contracts to buy services, works and goods, e.g. studies, training, conference organisation, IT equipment. They award public contracts through calls for tender.

What is the European Commission's public procurement strategy?

The European Commission's public procurement strategy focuses on 6 strategic policy priorities that were set out in the 2017 communication 'Making public procurement work in and for Europe'. It aims to improve EU public procurement practices in a collaborative manner by working with public authorities and other stakeholders. Press release

What is government procurement?

Government procurement or public procurement is undertaken by the public authorities of the European Union (EU) and its member states in order to award contracts for public works and for the purchase of goods and services in accordance with principles derived from the Treaties of the European Union.
