Northeast Battery is more than a supplier - think of us as your solutions provider. We are the region's largest independent battery distributor since ...

**HIGH** definition: having a great or considerable extent or reach upward or vertically; lofty; tall. See examples of high used in a sentence.

high implies marked extension upward and is applied chiefly to things which rise from a base or foundation or are placed at a conspicuous height above a lower level.

If something is high, it is a long way above the ground, above sea level, or above a person or thing. I looked down from the high window. The bridge was high, jacked up on wooden piers. ...
