Do you need a solar inverter?

Solar inverters are a necessary but often forgotten part of a home solar panel system since they convert sunlight into usable electricity for your home appliances. Without a solar inverter, you wouldn't be able to use those solar panels to power your home.

What are the best solar inverters for homes?

EnergyPal offers the best solar inverters for homes by value, price, wattage & warranty. Our 2025 Buyer's Guide reviews Enphase, SolarEdge, Fronius, SMA, and Huawei.

What is a solar inverter?

The solar inverter. It's the behind-the-scenes wizard that turns your panels' raw sunlight juice (DC power) into something your home can actually use (AC power). Pick a dud, and your solar dreams fizzle. Pick a champ, and you're golden.
