Is Montenegro launching its first battery energy storage tender?

Montenegro's Elektroprivreda Crne Gore (EPCG) has upped the ante for its first battery energy storage tender. In a pioneering move for state-owned utilities in the Balkans, Montenegro's largest power utility, EPCG, is planning to launch a large-scale, battery energy storage procurement exercise by the end of 2024.

Will Kapino Polje install a 5 MW battery energy storage system?

The utility has also decided to install a 5 MWh battery energy storage system alongside its proposed Kapino Polje solar power plant, which would have 5 MW of installed capacity.

Will EPCG deliver 185 MWh of battery energy storage capacity?

In September, EPCG said it was looking to deliver 185 MWh of battery energy storage capacity across four locations. Its stated goal was to use the existing infrastructure for connection to the grid.

How many power plants does Te Pljevlja have?

It also operates the 225 MW TE Pljevlja, the country's sole thermal power plant. The utility also has several small hydropower plants and is developing a number of renewable energy projects, including Komarnica hydroelectric power plant (172 MW), WF Gvozd wind power plant (54.6 MW) and SP Briska Gora solar power plant (250 MW).

EPCG has launched a comprehensive tender for the development of two battery energy storage systems, boasting a combined capacity of 60 MW and 240 MWh. This ...

EPCG, Montenegro's largest electricity provider, is investing in two four-hour battery energy storage systems (BESS) to strengthen grid ...

Montenegro invests EUR48M in 240 MWh battery energy storage systems to enhance grid stability and accelerate its renewable energy transition.

Currently, EPCG operates with a total installed generation capacity of 874 MW, primarily sourced from two large hydropower plants, Perucica and Piva, which contribute 649 ...

The projects foreseen in the September plan include a 60 MWh system located at the hydropower plant Perucica, two units of 60 MWh at metal processing company EPCG ...
