What is Porto Novo known for?

Porto Novo, named by the Portuguese in the 1500s, is still today showing significant Portuguese influence. For its size, Porto Novo has quite a bit of culture and tourist attractions. Ouando, a district 3km north of the city center, has a large market and pretty good nightlife.

What to see in Porto Novo?

Museo Ethnographique de Porto Novo. This is an interesting museum that takes an intensive look into the past of Porto Novo's kings. Displaying a good selection of fetishes, old Yoruba king masks, costumes, and some musical instruments, this is definitely worth the CFA1,000 Entrance fee.
