Where can I find used shipping containers for sale?

Mobile Modular Portable Storage offers used shipping containers for sale as an effective alternative to new containers. Please select your location from the dropdown to have a look at used shipping containers offered for sale for your commercial storage needs.

How much does a cargo-worthy container cost?

Cargo-worthy containers give you an excellent middle-ground option. These containers show some wear but keep their structural integrity for international shipping. The price of cargo-worthy containers typically range from \$1,300 to \$6,000. They are a budget-friendly choice for many businesses.

How much does a shipping container cost?

The current market shows new one-trip shipping containers ranging from \$2,800 to \$7,800. Used containers give buyers more budget-friendly options at \$1,400 to \$3,500. Containers with special features like double doors or open sides naturally cost more. Here's a breakdown of current market prices: Container prices vary substantially by location.

How much does a wind and water tight container cost?

Wind and water tight (WWT) containers are your most affordable option if you need storage solutions. These containers are usually more than 10 years old and therefore priced between \$1,800 and \$4,300. Here's a complete comparison of container grades: WWT containers might show visible rust and dents, but they work perfectly for storage purposes.
