How do I get a container shipping quote online?

With Quick Quotes, you can generate an online container shipping quote in just 30 seconds. All you need is access to our Online Business Suite to get started. Find competitive ocean and inland rates to 600 ports worldwide. Select from multiple container types and commodities including dangerous goods cargo.

How do I choose a container type for my cargo?

Our ocean freight calculator allows you to select the container type you need for your cargo, including standard 20-foot and 40-foot containers, high cube containers, and reefers. Choose the option that suits the requirements of your cargo. Does the calculator provide rates for special cargo shipments?

What commodities can not be loaded into a reefer container?

Certain commodities can damage the reefer container during stuffing, transport, or unstuffing. Because of the specific construction of reefer containers, the following commodities are not allowed to be loaded into our reefer containers: Heavy packages with rough and/or sharp edges and machinery parts that cannot be lashed and secured properly.
